

The Summary of Benefits and Coverage (SBC) document will help you choose a health plan. The SBC shows you how you and the plan would share the cost for covered health care services. NOTE: Information about the cost of this plan (called the premium) will be provided separately. This is only a summary. For more information about your coverage, or to get a copy of the complete terms of coverage, go to www.iatsenbf.org or call 1-800-456-3863. For general definitions of common terms, such as allowed amount, balance billing, coinsurance, copayment, deductible, provider, or other underlined terms, see the Glossary. You can view the Glossary at www.dol.gov/ebsa/healthreform or call the Fund Office at 1-800-456-3863 to request a copy.

Important Questions	Answers	Why This Matters:
What is the overall deductible?	<u>In-Network</u> : \$0 <u>Out-of-Network</u> : \$200 Individual/ \$500 Family	Generally, you must pay all of the costs from <u>providers</u> up to the <u>deductible</u> amount before this <u>plan</u> begins to pay. If you have other family members on the <u>plan</u> , each family member must meet their own individual <u>deductible</u> until the total amount of <u>deductible</u> expenses paid by all family members meets the overall family <u>deductible</u> .
Are there services covered before you meet your deductible?	<u>In-Network</u> : Not Applicable <u>Out-of-Network</u> : Yes, <u>emergency room care</u> , <u>home health care</u> , and <u>prescription drugs</u> are covered before you meet your <u>deductible</u> .	<u>In-Network</u> : This <u>plan</u> does not have a <u>deductible</u> . <u>Out-of-Network</u> : This <u>plan</u> covers some items and services even if you haven't yet met the <u>deductible</u> amount. But a <u>copayment</u> or <u>coinsurance</u> may apply.
Are there other deductibles for specific services?	No	You don't have to meet <u>deductibles</u> for specific services.
What is the out-of-pocket limit for this plan?	<u>In-Network</u> : \$750 Individual/ \$1,875 Family <u>Out-of-Network</u> : \$1,700 Individual/ \$4,250 Family	The <u>out-of-pocket limit</u> is the most you could pay in a year for covered services. If you have other family members in this <u>plan</u> , they have to meet their own <u>out-of-pocket limits</u> until the overall family <u>out-of-pocket limit</u> has been met.
What is not included in the out-of-pocket limit?	Penalties for failure to obtain <u>preauthorization</u> for services, <u>premiums</u> , <u>balance-billed</u> charges, health care this <u>plan</u> doesn't cover, and dental and optical benefits.	Even though you pay these expenses, they don't count toward the <u>out-of-pocket limit</u> .
Will you pay less if you use a network provider?	Yes. See www.anthem.com or call 1-844-243-5566 for a list of <u>In-Network providers</u> .	This <u>plan</u> uses a <u>provider network</u> . You will usually pay less if you use a <u>provider</u> in the <u>plan's network</u> . You will usually pay the most if you use an <u>out-of-network provider</u> , and you might receive a bill from a <u>provider</u> for the difference between the <u>provider's charge</u> and what your <u>plan</u> pays (<u>balance billing</u>). Be aware your <u>network provider</u> might use an <u>out-of-network provider</u> for some services (such as lab work). Check with your <u>provider</u> before you get services.
Do you need a referral to see a specialist?	No	You can see the <u>specialist</u> you choose without a <u>referral</u> .

All **copayment** and **coinsurance** costs shown in this chart for out-of-network providers are after your **deductible** has been met, if a **deductible** applies.
